**“FOR SAUL OF TARSUS,** the moment of his encounter with the Risen Christ on the road to Damascus marked a decisive turning point in his life. His total transformation, a true and proper spiritual conversion, was brought about at that very moment. By divine intervention, the relentless persecutor of God’s Church suddenly found himself blind and groping in the dark, but henceforth, with a great light in his heart, which was to bring him a little later to be an ardent Apostle of the Gospel.”

*- Pope Benedict XVI, Homily during the Liturgy of Vespers on the Feast of the Conversion of St. Paul*
