

From the Principal

40 Days of Life continues through November 4th.

Please continue to pray the rosary for the unborn.

Fall Festival was spectacular! We had quite a turnout from our parish and school community. Many thanks to Sue Bannio and all the many volunteers who gave their time and talent to make it all happen!

-Congratulations to the girls' volleyball team. They were able to register the first ever volleyball playoff win in school history behind the strong overhand serving of Elizabeth Bannio and Kayla Twomey, great defense of Ava Hrabe and Peyton Moore, and outstanding all-around play of Caroline Clark and Michaela Nock.

Unfortunately, St. Mary's battled back and won the next 2 games and the match. The OLR Lions played a super match; I am very proud of all our players!
